RDPE Growth Programme

The Business Development, Food Processing and Rural Tourism Infrastructure grants are now open to new applications. You must submit an Expression of Interest (EOI) form before midnight on 16th February 2020.

You could be eligible for a Growth Programme grant if your business is carrying out a project to create jobs or bring more money into the rural economy.

There are 3 types of grant: Business development <> Food processing <> Rural tourism infrastructure

If you are interested in applying for this grant there is a workshop coming up in Herefordshire with the RPA

To be held at the **Marches Growth Hub, Hereford Business Solutions Centre, Skylon Court, Rotherwas, Hereford**

Monday 13th January, 2020 between 2.00 p.m. and 4.00 p.m. Click [HERE](#) for details

In the meantime, should you wish to submit an Expression of Interest or find out more, you can find the forms, guidance notes and relevant handbooks [HERE](#)

If you have any queries regarding eligibility or questions about the application process, please contact:

Rural Payments Agency helpline : 03000 200 301 Email: GPEnquiries@rpa.gov.uk

If you have applied for Countryside Stewardship you may be wondering what happens next....

If you're already in Mid-Tier, or still waiting to hear, we want to help make managing these options easier!

Traditional Orchard Options

Big Farm Bird Count 7 – 16 February 2020

Time to start planning the Big Farmland Bird Count (BFBC) back for the 7th year.

This nationwide citizen science project takes just 30 minutes spotting birds on your land and is a great opportunity of showing what your conservation efforts deliver on the ground. GWCT who run the count hope that it will act as a catalyst for you to start building your own long-standing wildlife records.

How to take part in three simple steps

- 1) Download your count sheet from the BFBC website www.bfbc.org.uk
- 2) Count your birds! On a day between 7th and 16th February, spend about 30 minutes recording the species and number of birds seen on one particular area of the farm.
- 3) Once you've completed your count, simply submit your results at www.bfbc.org.uk

It's a great chance for local birders and farmers to team up and do the survey together.

If you want help to find someone to collaborate with please contact **Tony Norman** Email: tony@theleen.co.uk

The Wye & Usk Foundation – Here to Help - update on the projects running in Herefordshire!

- **Natural Flood Management:** Our advisers are still working with landowners in target catchments to help deliver NFM interventions. There is grant available to support delivery of recommendations and so far this has funded grassland aeration, subsoiling, cover cropping, attenuation ponds, hedge planting and leaky dams for the farmers that have already got involved! The target catchments are the Dulas, Bodenham, Pentoloe, Tedstone, Cheaton, Ridgemoor, Yazor and Red/Twyford Brook. If you farm in one of the target catchments and would like to find out more please call one of our advisers or visit: <https://www.herefordshire.gov.uk/info/200196/roads/345/flooding/6>
- **Pesticides:** Severn Trent Water are funding their **STEPS Grant Scheme** in the Wye for the first time this year. It is restricted to the **Drinking Water Safe Guarding Zone** which follows the main rivers so if you farm on the main stem of the Wye, Lugg or Frome and would like to improve a pesticide handling area or biobed/biofilter please contact Mike or Abi on the details below. STEPS is a competitive scheme and the application window opens in November. The scheme can also support biodiversity options like buffer strips, winter bird food and pollen mixes.
- **Water Quality:** The levels of phosphate in the rivers and streams is still higher than it should be and we are working hard to support local farmers to reduce losses from agricultural sources – which still contributes 50% of the P in our rivers. We are able to provide free confidential farm advice for any yard or land management challenges you may be facing. We can provide soil structure assessments, OM testing, yard advice, stewardship advice... the list goes on!
- **Stewardship Schemes:** We had a busy summer assisting with Stewardship applications – this year we helped to apply for over £4million worth of field options and capital items which will provide for wildlife and deliver benefits to our rivers across the county.
- **Our Advisers:** Kate, Mike, Lucinda, Tom, Jonny & Abi all working across Herefordshire. Two advisers work in the Welsh Wye. We have three advisers for the Wye Valley AONB & Herefordshire Wildlife Trust – Ben Nott, Rebecca Meredith, Claire Spicer.
For more information or to request a visit please contact one of the WUF advisers: Kate Adams (07766 330 959) Lucinda Lewis (07824 904 877); Mike Williams (07920 441 215); Tom Jolley (07545 253 155); Jonny Pugh (07825 743 447) Abi Croshaw (07990 068941); Ben Nott (07970 177319); Rebecca Meredith (07539 902681); Claire Spicer (07741 856770)

Catchment Sensitive Farming (CSF)

Water Quality - We continue to offer farm visits, advice and grant support on priority holdings to help improve water quality and water management on your holdings.

New! Air Quality Advice - Would you like to understand why air quality is the next big issue for farming and what you can do to reduce emissions from your farm? Following the launch of Defra's Clean Air Strategy in 2019 CSF are offering advice and events on improving air quality and reducing ammonia emissions, in addition to their current advice on water quality. If you are a dairy, beef or free range poultry unit (less than 40,000 birds) and would be interested in hearing more, please contact your local Catchment Sensitive Farming Officer (CSFO).

Specialist Advice Visits - Catchment Sensitive Farmers Officers (CSFO) are now able to offer around thirty different specialist advice visits for priority farms within the Wye catchment. Several of these are new to the project, having been designed to meet industry demands. These include:

Assessment and Monitoring of Soil Health - An in-depth assessment of soil health through a combination of approaches, including detailed soil nutrient analysis, profile and field examination. Recommendations will be provided to help improve soil condition, increase plant growth and reduce erosion, weed, pest and disease problems, while improving air and water quality.

Water Resources Audit - Would you like to improve your farm's resilience to drought, regulatory changes and identify options for the most effective water storage and efficiencies? This new visit will advise on water resource risks and make detailed, farm-specific recommendations on options to ensure water resilience and efficiency.

Woodland for Water and Air - This visit will investigate whether woodland creation or management on your farm could provide additional benefits for water and air quality, as well as business opportunities (e.g. wood fuels, stock shelter). Bespoke advice will also be given on location and design of woodland or tree planting, and available grants

Hereford & Worcester Fire and Rescue Service provide fire safety advice to everyone. A Safe and Well Check can be carried out for the more vulnerable such as the elderly, people living alone and those with reduced mobility.

What is a Safe and Well Check?

A Safe and Well Check is a **FREE** home safety visit that is tailored to an individual's needs.

The visit includes a home safety check to help reduce the risk of fire in the home, including the checking and fitting of smoke alarms where required. This includes alarms suitable for those with a hearing impairment and giving advice on a fire escape plan. It will also identify any health and care needs that require signposting to local services to help ensure safety and wellbeing. A Safe and Well Check maximises the opportunity to help individuals stay safe and independent and include advice on the following:

Fire safety in the home
Social Isolation and loneliness

Falls prevention
Crime prevention

Winter Warmth
Smoking

How can I arrange a Visit?

Contact our Community Risk team via our on-line form (Link Below) or call **0800 032 1155** for advice.

<http://www.hwfire.org.uk/safety-and-advice/home-safety/safe-and-well-check/request-a-safe-and-well-check/>

The Jack Hughes Fund - administered by Herefordshire Community Foundation

From September 1st 2019 the Jack Hughes Fund has been extended to staff aged over 40 years working on a **Herefordshire** farm. The amount of funding available still remains up to a maximum of £70% of the course but has been increased to an overall maximum of £200.

The programme is available for farmers and farm staff aged over 40 (limited to one family member/employee per farming business per year).

It will specifically provide funds to support those who require:

- retraining or upskilling as they are leaving the industry
- training to support a new farm diversification enterprise
- training or business support for succession planning

Funding will also be available for farm related training courses (examples below)

- Safe use of pesticides – PA1, PA2, PA6
- Rodent control on farms
- Emergency first aid
- Food safety (Basic Food Hygiene)
- Chainsaw Maintenance & Cross Cutting (CS30)

Other courses will be considered on application

The funding is easy to access, but please note that the project will not support training retrospectively & places will be limited.

Applicants need to be resident in Herefordshire.

For further details or an application form contact:- **Herefordshire Community Foundation**

The Fred Bulmer Centre, Wall Street, Hereford, HR4 9HP. Email: administrator@herefordshirecf.org Phone: 01432 272550

Website: www.herefordshirefoundation.org

The Prince's Countryside Fund

The Herefordshire Federation of Young Farmers' Clubs (HFYFC) working in partnership with Herefordshire Rural Hub have secured funding to provide support for training in a **rurally based career** to the end of December 2019. The funding is easy to access. All you need to do is select which course you would like to go on and complete the application form. If your application is approved you will be able to reclaim **70%** of your training and test costs, up to a maximum of **£250**. **Applicants must be a current member of HFYFC or a past HFYFC member (up to 40 yrs old).**

The fund will support training that will; **improve your employability, increase or improve your skill set, improve your safety or allow you to undertake extra responsibility in your current job.**

Some examples of training that has been funded so far:- **B+E Trailer, Chainsaw Certification, Pesticide Applications, Shearing, Artificial Insemination, Tractor Driving, Forklift Truck Driving, Rodent Control** and many more

Whatever training you are applying for, **please ensure that you submit your application in good time before your course is due to take place, as training cannot be funded retrospectively.**

For further details and an application form, contact:- **Herefordshire Rural Hub CIC**,
Agriculture House, Beech Business Park, Tillington Road, Hereford, HR4 9QJ
Email: admin@herefordshireruralhub.co.uk Tel: **01432 268 428**

... **"The Twelve Scams of Christmas"**

On the twelfth day of Christmas, the scammer sent to me:

Twelve fake bills and invoices

Eleven problems with your broadband

Ten ways to claim a refund

Nine bogus callers

Eight spoof websites

Seven begging letters

Six fake police officers

Five INTERNATIONAL calls

Four problems with your bank

Three dodgy emails

Two identity thefts

You owe a debt to HMRC

St Michaels Hospice

Join with colleagues and experience the beauty of the Welsh mountains during The Black Mountains Trek on Saturday 7th March. The challenging 30km walk is marshalled by the Longtown Mountain Rescue Team and takes in some of the most dramatic scenery around, with funds coming to St Michael's Hospice.

If you're after something a little closer to home, the Hospice's Big Spring Walk takes place a fortnight later, on Sunday 22nd March. A new starting point beside Hereford Rowing Club means four routes will now take walkers to the west of the city.

Choose from a 2.5K, 5.5K, 12.5K or 17.5K and enjoy a Sunday morning stroll through the green and pleasant land we call home.

Entry is free but we do invite walkers to get sponsored.

To sign up to The Black Mountains Trek or the Big Spring Walk, visit www.st-michaels-hospice.org.uk/events
