

KIMBOLTON NEIGHBOURHOOD PLAN LAUNCH

**Join us to talk about the future of the Parish
On SATURDAY 23rd APRIL 2016 between 10.30 am & 4pm
At Kimbolton Village Hall**

If you live in Kimbolton Parish and care about its future then please attend as your opinion will help to shape the content of the Plan which is important not only to you but to your family and to future generations.

The Parish Council, through a Steering Group, is producing a Neighbourhood Plan which will help us to have influence over what happens in our Parish.

The Neighbourhood Plan is not just about new housing and development but will cover a range of subjects such as transport, communications, protecting the environment, community facilities and it can help to protect important local assets such as pubs and historic buildings.

Over the coming weeks you will have the opportunity to add your ideas and comments to the draft Neighbourhood Plan. This process will begin with the Open Day on 23rd April – please come along and tell us what you feel are the main issues that the Plan should address. Refreshments will be provided.

If we do not have a Neighbourhood Plan then someone else will make the decisions about what happens in Kimbolton.

However, if we do have a Plan then, once adopted, it will have full legal force and the Planning Authority must take it into account when deciding Planning Applications.

**THE IMPORTANCE OF HAVING A NEIGHBOURHOOD PLAN
CANNOT BE OVERSTATED**

Kimbolton Neighbourhood Plan Steering Group

**Alison Beaumont, Yve James, Caroline Proctor, Kim Dando, Matt Duggan,
Richard Knight, Kevin Rowsell, John Wood**
