4 Post Adoption SEA and HRA

4.1 The modifications made as a result of the Examiner's report, as outlined above in Section 3 of this document, have been considered in terms of any resultant changes to the Strategic Environmental Assessment and Habitat Regulations Assessment. None of the changes are considered to have a significant effect on the overall appraisals. The updated SEA and addendum to the HRA are available to accompany the final plan.

5 Decision

5.1 The Neighbourhood Planning (General) Regulations 2012 requires the local planning authority to outline what action to take in response to the recommendations that the examiner made in the report under paragraph 10 of Schedule 4A to the 1990 act (as applied by Section 38A of the 2004 Act) in relation to a neighbourhood development plan.

5.2 Herefordshire Council have considered each of the recommendations made in the examiner's report and the reasons for them and have decided to accept the modifications to the draft plan. The draft plan will be altered in line with Table 1 above and also the points set out in paragraph 3.2, in line with paragraph 12 (6) of Schedule 4B to the 1990 Act.

5.3 Following the modifications made, the Kimbolton Neighbourhood Plan will meet the basic conditions:

- Having regard to national policies and advice contained in guidance issues by the Secretary of State, it is appropriate to make the plan
- The making of the neighbourhood plan contributes to the achievement of sustainable development
- The making of the neighbourhood plan is in general conformity with the strategic policies contained in the Herefordshire Local Plan – Core Strategy
- The making of the neighbourhood plan does not breach and is otherwise compatible with EU obligations and
- The making of the neighbourhood plan is not likely to have a significant effect on a European site either alone or in combination with other plans and projects.

5.4 It is recommended that the Kimbolton Neighbourhood Plan progresses to referendum. Consideration has been given as to whether the area should be extended beyond that of the neighbourhood area. Herefordshire Council concur with examiners conclusion that nothing has been suggested which would require an extension of the area beyond that designed on 7 July 2015.
