# WELCOME

---

**WELCOME** to our first edition of the New Year. We have a packed magazine with good news, not so good news and masses of information about activities around our communities.

First, let's deal with the bad news.

## DEVASTATING NEWS FOR POULTRY OWNERS IN OUR COMMUNITY

---

In January much of our Roundabout area was designated a 3km captive bird controlled zone, as the highly pathogenic Avian Flu H5N1 has been detected nearby and the birds infected have been culled.

For anyone owning birds, whether it is just a couple of hens or a commercial flock, this is devastating news and strict measures are now being enforced.

Alison Alderson and her husband Stuart have a smallholding in Hamnish; rare and pure breed poultry is one of their passions.

Alison told us;

" I have always chosen rare, or endangered species like Swedish Flower hens and have been involved in incubating eggs like the Stanbridge White duck, which was thought to be extinct not so long ago".

"These birds are all natural foragers and having to house them massively impacts on their wellbeing"

"For us housing the birds costs hundreds of pounds; they eat more, need more bedding and it's very labour intensive. We have to put foot dips at all the doors and even their food has to be covered."

" That said, it's vital that we all comply, not just because it is the law but because we must stop this disease decimating the wild bird populations, as well as our domestic birds."

"People with just a few birds may think they needn't bother but like the COVID pandemic, we are all in this and we need to think of the bigger picture."

Full details of the measures that must be taken by owners are on the government website [www.gov.uk](http://www.gov.uk)

# BOCKLETON PARISH HALL CHRISTMAS SKITTLES EVENING

---

Despite clashing with the England v France football match, our December skittles evening with supper and festive raffle was well attended and everybody had a great time. We would like to say a big 'thank you' to all those who donated lovely extra prizes, including one from Nice Things in Tenbury, in addition to those funded by the Hall. Thank you also to Carol Wall for the beautiful willow wreaths made using her home grown willow, to Viv Ray for making the gorgeously decorated Christmas cake, and to Liz and Len Preece for the freshly cut Christmas tree. Thankfully it was netted which meant the winner could take it home easily (sort of!) that night.

We are a small group of ladies who enjoy getting together, chatting and like all W.I. members taking part in informative and interesting meetings.

Coming up in 2023 our annual meal, a daytime garden visit, where members will be able to view beautiful flowers and take home ideas for their own gardens and skittles and ten pin bowling with a cup for the winners.

Also there is a proposed visit to a new ward at the Hereford Country Hospital to see how much better the replacement wards are from the old huts.

We are always open to new members and ideas for the programme of speakers, demonstrators and visits so if you would like to contact us we are listed in the parish director under clubs and societies.

We meet on the third Wednesday of the month at 7.30pm in the Parish Hall on Romers Common Bockleton.

### **BOCKLETON PARISH HALL COMMITTEE**

As you will be aware the Hall is available for hire. We are pleased to let you know that, despite the huge increase in energy costs, there are currently no plans to increase the hire charge.

Unfortunately, due to pressing family commitments, our popular secretary has had to stand down.

If you might be interested in helping us out in any way please call Wendy 01568 750414

# WE LOVE THIS WORK AND HAVE GAINED AN AMAZING REPUTATION

As we expand our advertising at Roundabout, we are learning more and more about the breadth of enterprise and skill that thrives within our communities.

One example is the George Brothers at Rowley Cottage. Clive, Ian and Philip are Herefordshire born and bred.

Some of their ancestors lived in Much Marcle, which is, of course, well known for its Steam Rally, which has been held, under the auspices of the Herefordshire Traction Engine and Vintage club since 1986.

From childhood the George 'boys' say they were surrounded by tractors and old machinery as their father was a keen collector.

Today they are specialist repairers and restorers of vintage agricultural and industrial machinery, with a fully equipped workshop in Hamnish. They have a highly skilled team and transform vehicles for use and exhibition.

Clive told us, " We love this work and over the years we have gained an amazing reputation at home and abroad."

"We source parts worldwide and currently have a very long waiting list of new projects."

"Ultimately we would like to have a museum here too, because we have quite a collection ourselves, including stationery engines."

[gbrestorations@aol.com](mailto:gbrestorations@aol.com)

We are delighted that George Brothers are supporting Roundabout.

## AND FINALLY.....

---

Your Roundabout magazine is entering a new and exciting phase, with more advertisers coming on board, enabling us to offer you an array of local traders to use whilst helping us with the cost of printing. We shall also be applying for grants and sponsors. Ultimately we hope that our magazine will be self-funding. Our thanks to those who are now stepping back after lengthy service.

We are delighted to welcome two new volunteers to help with this challenge, Rachel Evason and Avril O'Grady join Judie Welsh who will carry on editing your magazine.

As ever, we are grateful to all of you who continue to send contributions and donations and to those who deliver the magazines, almost 600 of them each month!

**Please note our bank details have now changed:**

**Sort code 53-50-41    Account 62513761**

**If you prefer, cheques should be made out to Roundabout our Communities and can be given to any member of the team.**
