WELCOME

Well, fingers crossed spring is here. It's been a long winter for us all and despite the grim state of the world, a mood of optimism comes with the sunshine, as we look forward to revisiting favourite places and enjoying happy events and hobbies, especially gardening.

One of the local delights of summer is surely a visit to Stockton Bury Gardens, and its Tithe Barn café, which re-opens on 2nd April, so this time, we start with the family whose gardening passion is now shared with us all.

Stockton Bury farm has belonged to the Treasure family for five generations, but the four-acre garden alongside has been created over the past forty years by Raymond Treasure and Gordon Fenn. Tamsin Westhorpe, Raymond's niece tells us more.

"They didn't intend to open to the public, their garden was their private passion, but they have really enjoyed sharing their creation since opening twenty-five years ago." she said.

Today around 5000 people a year visit, and the Tithe Barn café does a roaring trade, with up to 100 lunches a day being served during the peak summer season.

"Gardening runs in the family," Tamsin continued, "and from the age of 17 that's all I wanted to do, so I went to Sparsholt Horticultural College and then worked in parks and gardens, until, quite by chance, I fell into working for national garden magazines and writing books."

The rest is history, as Tamsin is now a well-known RHS judge, author and broadcaster, but ten years ago she longed to return to 'hands on gardening', so joined Raymond and Gordon in running Stockton Bury, helping to put it well and truly 'on the gardening enthusiasts' map'.

Five years ago her sister Connie completed the team, developing the Tithe Barn cafe into a thriving venue in its own right.

"Not everyone wants to tour the gardens every time they visit, and they love having the café as an informal meeting place with local food, free parking and a delightful environment. We have a license now and run occasional evening events in the summer. It's a true family affair and every year brings new delights."

Stockton Bury Gardens and café open on 2nd April in aid of the National Garden Scheme and thereafter from 11am-4pm Wednesday to Sunday (10.30 - 4 for the café). Season tickets are available for the gardens at £35 a year per person.

HAMNISH GARDENING CLUB

Our very successful Hamnish Gardening Club began around between 35 and 40 years ago (if anyone knows the exact date do let us know).

Roberta Hodgetts was a founder member as were Mike and Heather Philpott. Today it still has a very varied calendar of talks and visits and boasts members from across the county.

Penny Morris received a Royal Horticultural Society Recognition award recently for services to the Club. Penny has been supplying beautiful bouquets of flowers to raffle at meetings and hosted a delightful evening fundraiser for the Club at her flower farm last summer. (see photo inside front cover)

Eileen Bolton with her husband Tony, were presented with the Win Chadney Memorial cup for the best results in the Garden Club competitions in 2024.

HAMNISH GARDENING CLUB meets at Hamnish village hall at 7.30pm.

Our next talks are:

15th April

Tamsin Westhorpe – *Understanding the RHS Chelsea Flower Show Judging Process.*

Competition: *An Easter wreath*

20th May

Janelle Quitman – *Making a Beeline for the garden gate.*

Competition: *A bee-friendly posy*

Details of the annual programme are on the Kimbolton Hamnish Parish Council website.

Visitors (£5) are very welcome.

PLANT SALE DONATIONS

If anyone has plants for the sale on 17th May please can you bring them to the Church on Friday evening or Saturday morning by 9.30?
Any cakes for the cake stall will be gratefully received on the day or on Friday evening to Little Britain cottage.

KIMBOLTON CHURCH FLOWER ROTA

Would you like to join the cleaning and flower rota at Kimbolton Church?
If so we would love to hear from you. A quick dust and putting flowers in the two vases on the altar is all that's needed.
Please get in touch with Liz Davies on 01568 615367

A WONDERFUL SPRING TERM AT KIMBOLTON ST. JAMES' PRIMARY SCHOOL

What an incredible spring term it has been so far at Kimbolton St. James' Primary School! We are thrilled to share some fantastic highlights and celebrate the achievements of our students, staff, and community.

Firstly, we are over the moon with the exciting news that our SATs results (for numeracy and literacy) were the second best in the entire county! This remarkable achievement is a testament to the hard work and dedication of both our students and teaching staff. Everyone's commitment to excellence has truly paid off, and we couldn't be prouder of the progress our pupils have made.

This term has also been filled with enriching experiences for our children, thanks to the generous support of our Parent-Teacher Association (PTA). Our PTA generously funded two amazing activities for the students: skateboarding and scootering sessions. The children had an absolute blast learning new skills, building confidence, and enjoying the fun.

Additionally, we were delighted to welcome the 'Animal Man' to our school, where students had the chance to interact with a variety of fascinating creatures. The excitement and learning that took place during these experiences will certainly be remembered for years to come.

Looking ahead, we are already excited about what's in store for the next term. One of the highlights will be our prayer walk to the Priory in Leominster, which will celebrate the 900th anniversary of this historic landmark. It promises to be a meaningful and spiritual journey, providing our students with a unique opportunity to reflect on history, faith, and the beauty of the world around them.

As we wrap up a successful and joyful spring term, we look forward to more wonderful experiences, learning opportunities, and milestones in the months ahead.

LEOMINSTER AREA HEREFORDSHIRE WILDLIFE TRUST AND WILDLIFE GARDENING

The Leominster area Wildlife Trust planning group met last week to discuss plans for the coming year. We decided on a principal theme of Wildlife Gardening to help us decide on future activities, talks and events. This month we will try to locate a local site, which is suitable for wildlife protection/ gardening as an on-going practical activity throughout the year.

Perhaps you want to encourage more wildlife so here are some ideas for spring. When mowing the lawn, collect the clippings, dry them off and put them in a dry, out of the way corner of the garden. This could then become a place for a queen bumblebee to start a colony or for slow worms to nest. Hedgehogs will be emerging from their hibernation, so leave some food out to help them build up their strength – cat or dog food, chicken based in jelly is good! It's also the time of year that garden birds need to prepare for breeding so put out calorie-rich food like sunflower hearts, fat balls or suet nibbles.

A sub group will work on mapping the Leominster central area, which will include green spaces large and small, the river and streams and specific wildlife areas of interest. It would be good if villages in North Herefordshire tried out a similar project for their areas as it will inform councils for their biodiversity strategies and also assist with planning decisions. If you are interested in helping out with the mapping project or working on a local site to make it wildlife-friendly please contact us LeominsterAreaBranch@gmail.com
