WELCOME

Welcome to summer! The season of bounty in farms and gardens, of cricket in our community and outdoor events for you to enjoy. More of that later.

First, we celebrate a very special anniversary for the Diocese of Hereford.

A VERY SPECIAL VISIT FOR ST. DUBRICIUS' IN HAMNISH

2026 is a remarkable milestone for our church community.

It is the 1350th anniversary of the Diocese of Hereford, founded in 676AD.

The Diocese, which covers the ancient kingdom of Mercia, includes many ancient churches whose foundations can be traced back to the Norman era.

As part of this anniversary there will be celebrations of the stories of the foundation including retelling the stories of St Dubricius, Saint of the south of the Diocese, St Edfrith, Saint of the centre of the Diocese and St Milburga, Saint of the north of the Diocese.

Bishop Richard visited St Dubricius church in Hamnish to begin the season of pilgrimages around this anniversary, walking across the fields to Leominster Priory where a Eucharist service was followed by a picnic in the grounds

Alongside the centrally planned events, many local events and activities will be hosted by our schools, parishes, and churches, and it's hoped the year of celebration will bring people together from across our Diocese.

Our front cover picture shows (L-R)

Reverend Matthew Burn Team Vicar for Western Parishes, Father Guy Cole Rector for the Leominster Team Ministry, Reverend Mark Long Team Vicar for the Eastern Parishes and Bishop Richard.

LONGTOWN

TEA20 CHARITY CRICKET MATCH

“Yes, we’re already practising in the nets for this year’s grand charity cricket match between Hamnish and Kimbolton.

This year we are supporting the excellent group of volunteers at Longtown Mountain Rescue Team.

The team was originally formed in 1965 to help people in difficulties in the Black Mountains. Their role has now expanded to include a wide variety of potential situations where the police consider their assistance and expertise would be of benefit.

Some of you reading this may not be aware our local community has been very grateful to have their assistance in finding people that have got lost, including our dear friend Keith Hodnet to name just one.

We will once again be playing at Mortimer Park, Kingsland on Sunday 23rd of August and I know you’ll all be pleased to hear it’s going to be heatwave that weekend!

So, as before, the cricket pavilion will have cool refreshing drinks on offer, cricket teas will be available, and out on the pitch you will witness the most exciting cricket being played!

Come along and cheer/jeer your favourite players and have a real fun family day out!”

If you are interested in playing, we welcome men and women of all ages, please contact Gordon Kean on 01544 329740.

And if the annual cricket match isn’t enough excitement for the summer read on.....

HALF TERM REPORT

from Head of Kimbolton School Charlotte Hyde

“It has been an exciting and memorable half term across the school, with plenty of special moments to celebrate.”

Chicks Hatch in Class 1

After weeks of careful incubation, our eggs began to hatch on Wednesday, and the children were incredibly lucky to watch one chick emerge right before their eyes — a truly magical moment.

We are now proud hosts to seven adorable chicks, who will be staying with us for a short time while the children observe how they grow and develop before heading off to their new homes.

Phil, Lil, Grant, Alice, Feathers, Fluffy and Donut are all doing very well indeed! They've already outgrown their first home, and beautiful feather markings can now be seen beneath their fluffy bodies. Some are even beginning to practise flapping their wings. It has been a delight to watch these changes, and children from across the school are enjoying checking in regularly to see how the chicks are doing.

Celebrating Sir David Attenborough at 100

The whole school had a fantastic day dressing up to celebrate Sir David Attenborough's 100th birthday. What better way to mark such an amazing milestone than by getting outdoors and appreciating the natural world?

Classes 1 and 2 spent the afternoon bug hunting, building bug homes and enjoying Forest School activities. It was a wonderful way to celebrate someone who has inspired generations to care for and protect our planet. We wish Sir David a very happy 100th birthday and thank him for his incredible legacy.

Sporting Success for Class 3

Our tennis superstars from Class 3 were in action at a mini tennis tournament, and they certainly did us proud. For some children, it was their very first time playing the sport, but their determination, teamwork and enthusiasm shone through. Their positive attitudes and big smiles made it a joy to watch, and we are very proud of everyone who took part.

Good Luck to Our Year 6 Pupils

As SATs week arrived, we wanted to send our very best wishes to our wonderful Year 6 pupils. They have worked incredibly hard throughout the year, and we are immensely proud of everything they have achieved. Each morning, the children were welcomed into school with a nourishing breakfast of sausage and bacon sandwiches, cruffins, yoghurt and fruit, helping them to feel calm, supported and ready to do their very best. We hope they approached each test with confidence and belief in themselves, knowing how proud we all are of their efforts.”

MARSH COURT HEALTH CENTRE OPENING

On June 29th the first patients are expected in Marsh Court Health Centre, which is the new home of Ryeland surgery.

The £7 million building is to be called Marsh Court Health Centre (the historical name of the area) and Ryeland Surgery, is the main occupant of the building. There will, hopefully, be a pharmacy in there too.

The move will be followed on July 4th by an official opening by Professor Sir Sam Everington, President of the Royal College of General Practitioners, on July 4th.

Neighbouring steel working firm FH Dale will continue to own the land, with the practice leasing the building. The building has been designed and managed by Bristol-based specialist practice Osmond Tricks, and built by Matrix of Shrewsbury.

Meanwhile, according to Dr Crispin Fisher, the surgery is seeking 'part-retrospective' planning permission for a free-standing medical research 'cabin' alongside the main building, which it hopes to unveil at the same time. This will match the appearance of the main centre, Dr Fisher said, adding: "It's very unusual for a GP surgery to have its own research hub, and we were fortunate to get a considerable government grant for it."

KIMBOLTON WITH HAMNISH PARISH COUNCIL

Ed Rollings was re-elected chair of the Kimbolton with Hamnish Parish Council, at the recent AGM, with Will Mears as Vice Chair.

THE STOCKTON CROSS INN

The Parish Council has been successful in listing the Stockton Cross Inn as an Asset of Community Value. Under the Localism Act 2011, community organisations can nominate land and buildings as an Asset of Community Value where they provide evidence in a nomination that they present or have recently presented use that furthers the social wellbeing and interest of that community. The listing of the Stockton Cross Inn with Herefordshire Council means that for a five-year period, if the asset is listed for sale, the community can enact a Community Right to Bid which, gives them a moratorium period of six months to determine if they can raise the finance to purchase the asset.
